**Sponsorship Opportunities**

# Sponsorship opportunities

All proceeds from sponsorship go straight back into the club and help to pay for hall hire, coaching, kit and everything else required to run the club. Falkirk Fury has over 250 playing members comprising over 200 U16 members and over 100 girls.

As well as being one of the most successful competitive basketball clubs in Scotland, Falkirk Fury are also committed to helping develop young players from all backgrounds. We work extensively in the community and your help means we can continue our development programs. Our basketball club provides an environment for young people to challenge themselves physically, form lasting friendships and be the best version of themselves. Financial support from the wider community is essential to the success of our club and to allow us to continue providing the coaching and support we've been doing since 1992.

There are lots of ways you can show your support to Falkirk Fury Basketball Club. Find an option to suit you on the next pages.
