## Message From Our Sponsor

Andrew Ritchie, Owner, Signs Express Falkirk commented to the Falkirk Herald on his sponsorship with Falkirk Fury BC

'As both a proud local business owner and a passionate basketball dad, I'm absolutely thrilled to see Signs Express Falkirk become the headline sponsor of Falkirk Fury.

Watching my son Jake grow and thrive within the club has shown me first-hand the incredible work being done to support young athletes in our community.

To now be part of that journey—not just as a parent, but as a partner—is a real honour.

Fury has a rich history of excellence and community spirit, and I'm excited to help carry that forward under the new banner of Signs Express Fury.

## **FURY BCB TROPHY RUN ENDS WITH HOODS LOSS SIGNS EXPRESS FURY 85 NOTTINGHAM HOODS 118**

### **BCB British Basketball Trophy ( Group stages )**

A convincing win by visitors Nottingham Hoods saw Scotand's Signs Express Fury exit the BCB Trophy for season 26 -27. Yet the final group stage game at Grangemouth Sports Complex started well for the Falkirk side as they took the opening quarter 27 -24 and looked the more fluent side early on with Ali Fraser scoring 13 pts personal and Fury spreading the floor and hitting 5 threes all from different players. But Fury did not react well in the second as Fraser's scoring opportunities were closed down by the Hoods defence and Fury failed to score from beyond the arc, making it a 12 pt Nottingham lead at the half 56 -44.

The third saw Fury change defence , a switch that failed to stop the Hoods put points on the board and a quarter scoreline of 27 -14. The final period was the highest scoring but again it was Hoods who came out on top with 35 -27 period and a 33pt win.

For Fury Ali Fraser top scored on 23 with Bantu Burroughs on 18 , Joe Hart on 13 and Jonny Bunyan on 10 with 5 assists. Fergus Harte chipped in with 9 and Eddie Leginas on 6.

Fury Headcoach John Bunyan commentated to HeraldSport after the game -

" We were beaten on the day by a strong team who executed very well on offence. We were completely out rebounded and Murray Hendry was a big miss in respect of that stat alone 57 -24. While we led in points from turnovers 21 -11 and rarely turned the ball over, Hoods bench points 49 to our 15 was clearly significant.

While the series it's self, has seen us in the main play some great basketball against semi pro opposition, our lack of consistency in team personnel in terms of training and games has been crucial. During our 4 week - 4 game BCB campaign, we have had to combine 3 Scottish Championship games.

Going forward, we look to retain our 3 Scottish National titles and I know the players will be fired up and ready to build on our solid start in the Scottish League. "
